Effective date	June 3, 2021		June 4, 2020
Dividend resource	Retained earnings		Retained earnings

2. Reasons

MEGMILK SNOW BRAND bases profit distribution on the aim of continuing to establish financial soundness through profit creation, to maintain our capital efficiency by re-investing in basic infrastructure to create cash and to enhance return of profit to shareholders. We strive to maintain a stable dividend comprehensively taking into account our consolidated results and financial condition with the aim of a consolidated dividend payout ratio of 20% through 30%.

We set a dividend of 40 yen per share as originally planned based on the above dividend policy for the fiscal year ended March 31, 2021. The start date for the payment of the surplus dividend will be June 3, 2021.

In addition, we plan to pay a dividend of 50 yen per share for the next fiscal year considering sales and profit forecast and financial outlook, based on the above dividend policy.
