**Notice Regarding Application for Termination of Registration of
American Depositary Receipts with U.S. Securities and Exchange
Commission and Termination of Ongoing Reporting Obligations under
U.S. Securities Exchange Act**

On February 10, 2023, Canon Inc. (the “Company”) announced plans to file, when relevant requirements were met, an application for termination of registration of its American Depositary Receipts (“ADRs”) and the underlying common shares with the U.S. Securities and Exchange Commission (the “SEC”). In view of such requirements being met as of January 31, 2024, the Company plans to file a Form 15F for the termination of registration of its ADRs and underlying common shares with the SEC and termination of ongoing reporting obligations under the U.S. Securities Exchange Act (the “Exchange Act”). Please see below for details.

1. Application for Termination of Registration of ADRs with SEC and Termination of Ongoing Reporting Obligations under the Exchange Act

(1) Date of application:

March 7, 2024 (Planned)

(2) Future plans:

The Company’s ongoing reporting obligations under the Exchange Act will be immediately suspended upon filing the Form 15F with the SEC and are expected to be terminated on June 5, 2024, 90 days after the Form 15F is filed. This schedule is subject to change if the SEC notifies the Company of an extended review period or objects to the Company’s application, or for other reasons.

While the Company’s reporting obligations under the Exchange Act, including filing annual reports on Form 20-F, will be terminated upon deregistration, the Company will disclose financial statements and other material information in English on its website, and will strive to provide appropriate information to shareholders and investors, including those overseas.
