Asia and Oceania: China, Asian countries, Australia

7. Note on Significant Changes in Shareholders' Equity

None.

8. Basis of Presentation and Significant Accounting Policies

Canon's quarterly consolidated financial statements are prepared in accordance with Article 5, Paragraph 4 of the Standards for Preparation of Quarterly Financial Statements of the Tokyo Stock Exchange, the Nagoya Stock Exchange, the Sapporo Securities Exchange, and the Fukuoka Stock Exchange, and in accordance with U.S. generally accepted accounting principles.

However, the omission of details, as stipulated in Article 5, Paragraph 5 of the Standards for Preparation of Quarterly Financial Statements, has been applied. Canon also applies mutatis mutandis to Paragraph 3 of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Regulations on Terminology, Forms and Preparation Methods of Consolidated Financial Statements (the Cabinet Office Ordinance No.11 of 2002) in compiling its quarterly consolidated financial statements.

9. Notes to Consolidated Financial Statements

(1) Change in depreciation method and useful life

Historically, Canon Inc. (the "Company") and its consolidated manufacturing subsidiaries primarily applied the declining-balance method for the depreciation of property, plant and equipment. Effective January 1, 2026, the Company changed the depreciation method to the straight-line method.

Under the Excellent Global Corporation Plan Phase VII initiatives, the Company has been reviewing its global manufacturing structure. As part of this process, the Company conducted an assessment of the actual usage of its property, plant and equipment. Based on this assessment, the Company expects that the economic benefits from such assets will be consumed in a more even and stable pattern going forward. Accordingly, the Company believes that the straight-line method more appropriately reflects the pattern of consumption of economic benefits of these assets.

In connection with this change, the estimated useful lives of certain machinery and equipment were also revised.

The impact of the change in depreciation method is recognized prospectively as a change in accounting estimate in accordance with the Accounting Standards Codification (ASC) 250 "Accounting Changes and Error Corrections."

As a result of these changes, depreciation and amortization for the three months ended March 31, 2026 decreased by ¥6,082 million compared with the previous method, and net income attributable to Canon Inc. and basic net income attributable to Canon Inc. shareholders per share increased by ¥4,196 million and ¥4.80, respectively.

(2) Recently adopted accounting guidance

In July 2025, ASU No. 2025-05, "Measurement of Credit Losses for Account Receivable and Contract Assets"-ASC 326 ("Financial Instruments – Credit Losses"), was issued by FASB. This standard allows us to elect the practical expedient to assume that current conditions as of the balance sheet date do not change for the remaining life of the asset when developing an estimate of expected credit losses on current accounts receivable and current contract asset balances arising from transactions accounted for under ASC 606 on revenue from contracts with customers. Canon adopted the standard from interim and annual reporting periods beginning January 1, 2026. The adoption of this standard did not have a material impact on its consolidated results of operations and financial condition.

Accountant's Conclusion

We have reviewed the interim consolidated financial statements of Canon Inc. and its consolidated subsidiaries (the "Group") included in the Appendix to Consolidated Financial Results, namely, the interim consolidated balance sheet as of March 31, 2026, and the interim consolidated statement of income and interim consolidated statement of comprehensive income, and interim consolidated statement of cash flows for the three-month period then ended, and the related notes.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements are not prepared, in all material respects, in accordance with the Article 5-4 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, omitting certain disclosures under the Article 5-5 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial

statements and applying mutatis mutandis to the provisions of the third paragraph of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Ordinance for Terminology, Forms and Preparation Methods of Consolidated Financial Statements (No.11 of the Cabinet Office Ordinance in 2002).

Basis for Accountant's Conclusion

We conducted our review in accordance with interim review standards generally accepted in Japan. Our responsibility under those standards is further described in the Accountant's Responsibility for the Review of the Interim Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the provisions of the Code of Professional Ethics in Japan, including the ethical requirements that are relevant to audits of the financial statements of public interest entities, and we have fulfilled our other ethical responsibilities as accountants. We believe that we have obtained the evidence to provide a basis for our review conclusion.

Responsibilities of Management and Audit & Supervisory Board Members and the Audit & Supervisory Board for the Interim Consolidated Financial Statements

Management is responsible for the preparation of the interim consolidated financial statements in accordance with the Article 5-4 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, omitting certain disclosures under the Article 5-5 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, applying mutatis mutandis to the provisions of the third paragraph of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Ordinance for Terminology, Forms and Preparation Methods of Consolidated Financial Statements (No.11 of the Cabinet Office Ordinance in 2002), and for such internal control as management determines is necessary to enable the preparation of interim consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the interim consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern in accordance with the Article 5-4 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, omitting certain disclosures under the Article 5-5 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements and applying mutatis mutandis to the provisions of the third paragraph of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Ordinance for Terminology, Forms and Preparation Methods of Consolidated Financial Statements (No.11 of the Cabinet Office Ordinance in 2002).

Audit & Supervisory Board members and the Audit & Supervisory Board are responsible for overseeing the Directors' execution of duties relating to the design and operating effectiveness of the controls over the Group's financial reporting process.

Accountant's Responsibility for the Review of the Interim Consolidated Financial Statements

Our objective is to issue an accountant's report that includes our conclusion.

As part of a review in accordance with interim review standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Make inquiries, primarily of management and persons responsible for financial and accounting matters, and apply analytical and other interim review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in Japan.
- Conclude whether nothing has come to our attention, based on the evidence obtained, related to going concern that causes us to believe that the interim consolidated financial statements are not prepared, in all material respects, in accordance with the Article 5-4 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, omitting certain disclosures under the Article 5-5 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, and applying mutatis mutandis to the provisions of the third paragraph of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Ordinance for Terminology, Forms and Preparation Methods of Consolidated Financial Statements (No.11 of the Cabinet Office Ordinance in 2002), if we conclude that a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our accountant's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our conclusion. Our conclusions are based on the evidence obtained up to the date of our accountant's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate whether nothing has come to our attention that causes us to believe that the overall presentation and disclosures of the interim consolidated financial statements are not prepared in accordance with the Article 5-4 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements, omitting certain disclosures under the Article 5-5 of the standards of Tokyo Stock Exchange, Nagoya Stock Exchange, Sapporo Securities Exchange, and Fukuoka Stock Exchange for preparation of quarterly financial statements and applying mutatis mutandis to the provisions of the third paragraph of the Supplementary Provisions of the Cabinet Office Ordinance for Partial Amendment of the Ordinance for Terminology, Forms and Preparation Methods of Consolidated Financial Statements (No.11 of the Cabinet Office Ordinance in 2002).

- Obtain evidence regarding the financial information of the entities or business units within the Group as a basis for forming a conclusion on the interim consolidated financial statements. We are responsible for the direction, supervision and review of the interim review of the interim consolidated financial statements. We remain solely responsible for our conclusion.

We communicate with Audit & Supervisory Board members and the Audit & Supervisory Board regarding the planned scope and timing of the review and significant findings that we identify during our review.

We also provide Audit & Supervisory Board members and the Audit & Supervisory Board with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

Interest Required to Be Disclosed by the Certified Public Accountants Act of Japan

Our firm and its designated engagement partners do not have any interest in the Group which is required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.
